Play with your food!

At Sketti & Ball Co. we choose the D.I.Y approach to inspire fun for our guests.

Alongside our housemade balls are chef designed pasta dishes & delicious shareables. The food (& the puns!) make people smile & guests never leave hungry!

Our food tastes better with wine & we believe it should be affordable too.

Our house wine will always be a reasonable price & served in a jug, if you like. We keep some fancy & unique bottles in the cellar, too, if you're feeling a bit saucy!

We don't take ourselves too seriously & our style of service reflects it.

Our team will easily share a laugh, chat with you about our balls & recommend their favourite dishes, every visit. Oh, & it always smells incredible here!

So, go ahead, play with your food. And don't forget to *GET SAUCY!*
